Liz, this one did not have any edits from FTA. I just sent to keep the group together. There could be another one like that.

Steve,

Could you check the letter below? We are still reviewing the letters that you provided us. I hope to send you more information tomorrow.

Thank you,

Liz

The response for letter RT10/09-337213 is simply the original response file. I think perhaps they attached the wrong one. There are no edits in it.

Thanks

AQ review_JAA_052410.doc>> Good morning! Here is the first batch of 20
letters that have been revised. Please review and, if need be, let's
discuss any substantive items that come up. The major portion of the
EIS revisions will be sent tomorrow.

We very much appreciate your pushing this through.

(I apologize for the multiple separate items. I'm sure there is a more
elegant way to do this, but I am challenged in this regard. I also
apologize if I missed somebody.)
